

Carry Cases

Hard & soft Cases

570*

574

582

584*

Calgaz offers a range of carry cases designed to meet your business needs. The 570 is designed to give maximum protection to the cylinders and equipment being carried or transported.

The 574 and 582 carry cases are durable and heavy-duty made from impact-resistant plastic constructed for safety and are easily transported. These carry cases allows the user to carry two cylinders and undertake the calibration with the cylinders remaining in the case. The 574 has traditionally been our most popular product, however the 582 is mainly used within North America.

The 584 soft carry case with its shoulder strap makes it easy to transport up to 3 cylinders and equipment safely whilst keeping both hands free. Very useful when climbing up ladders and working on gangways.

Each case can contain cylinders plus one or two regulators and appropriate tubing.

Characteristics						
	Material	Length	Width	Cylinder capacity	Accessories capacity	Cylinder compatibility
570	Blue Plastic - HDPE	440 mm (17.3")	330 mm (13")	2	2 regulators + Tubings	2AL, 6D, 6DM, 7HP, 8AL, 10ALE (not 10ALLU)
574	Blue Plastic - HDPE	585 mm (23")	229 mm (9")	2	2 regulators + Tubings	2AL, 6D, 6DM, 7HP, 8AL, 10ALE (not 10ALLU)
582	Black Plastic - HDPE	554 mm (21.8")	353 mm (13.9")	2	2 regulators + Tubings	2AL, 6D, 6DM, 7HP, 8AL, 10AL
584	Black Nylon	370 mm (14.6")	300 mm (11.8")	3	2 regulators + Tubings	2AL, 6D, 6DM, 7HP, 8AL, 10AL

* Can only be shipped from our Stoke, UK facility
